Ali:

It's like rockets flaming all around you

All my summers come at once

TKO

Mrs President you've floored me

Something inside of me

Laid Bare

First date

So right

Soul mates

This is

What it's meant to be like

Onassis:

My whole life was meant for this moment

Cruising with you

Out of Harlem

And over the Turnpike

Something inside of me

Laid Bare

First date

Out of sight

Starsigns

This is

What it's meant to be like

Ali and Onassis:

All you are is every thing to me
