Everybody's gotta get a job together  
Take it back all the way

Don't' think about tomorrow  
Just think about today  
Before dawn, understand  
In this world, everybody's free  
Forget about your troubles and worries  
And take a good look at me

Sing a song for children  
Sing a song for me  
Sing a song for freedom  
Sing a song for me

Everybody's gotta get a job together  
Take it back all the way  
Don't' think about tomorrow  
Gotta gotta gotta think about today  
Before dawn, understand  
In this world, everybody's free  
Forget about your troubles and worries  
And take a good look at me

Sing a song for children  
Sing a song for me  
Sing a song for freedom  
Sing a song for me

(Sing a song for freedom)  
Everybody sing a song  
(Sing a song for me)  
I've got to sing a song for me now  
(Sing a song for freedom)  
Freedom, freedom  
(Sing a song for me)  
Everybody, gotta listen to my song baby  
(Sing a song for freedom)  
(Sing a song for me)

(Sing a song for freedom)  
Sing a song for freedom

(Sing a song for me)  
Everybody everybody

[SKAT]  
Freedom, freedom  
(Sing a song for freedom)  
(Sing a song for me)  
Freedom, freedom  
(Sing a song for freedom)  
(Sing a song for me)

[SKAT]

Everybody gotta sing a song for me  
Yeah yeah yeah
