Well painted passion  
You rightly suspect  
Impersonation  
The dumbing down of love  
Jaded in anger  
Love underwhelms you  
No box of chocolates  
Whichever way you fall

And if I tell you  
Lover alone without love  
What will happen  
Lover alone without love  
Will you miss him?  
Lover alone without love

No, no I'll get this  
I want to treat you  
You're still not famous  
And you haven't struck it rich  
Underachieving  
'Cause no one's receiving  
This tunnel vision  
It's turning out all wrong

And if I tell you  
Lover alone without love  
What will happen  
Lover alone without love  
Will you miss him?  
Love alone without love

Music is worthless unless it can  
Make a complete stranger  
Break down and cry

And if I tell you  
Lover alone without love  
What will happen  
Lover alone without love  
Will you miss him?

Love alone without love
