2X(come into my dreams)

come into my dreams,  
let me show you where i've been,  
it's you and me i've seen,  
let me tell you what i mean,  
here in the deep blue sky,  
there are rainbows in the night,  
you and me could fly,  
and the ocean shines so bright  
(shines so bright)fades out

come into my dreams  
come into my dreams,  
let me show you where i've been,  
it's you and me i've seen,  
let me tell you what i mean,  
here in the deep blue sky,  
there are rainbows in the night,  
you and me could fly,  
and the ocean shines so bright  
(shines so bright)fades out

(come into my dreams)echos and fades out
