Grandma In The Corner With A Penis In Her Hand

grandma sitting in the corner with a penis in her hand
going no no no
it only goes to show
grandma in the corner with a penis in her hand going
no no no
it only went to show
when the ambulance arrived there wasn't a cock alive
grandma in the corner with a penis in her hand going
no no no no no
grandma in the corner with a be-hive in her hand going
no no no no no
when the ambulance arrived today, ohhh the penis's
were playing in the hayyyyyy
grandma in the corner in the hand with a penis going
no no no
the ambulance man saying no no no no no
grandma...grandma..grandma
i'm gonna ring the penis from your hands no no no no
grandma come on no no no no no
in the corner with your hands you run your hands from
the penis
