Rudy and Santa  
Are we on, baby?  
Oh, yeah  
Here comes Santa's pussy strolling down the lane  
Here comes Santa's pussy that cat he sure is crazy  
man  
Here comes Santa's pussy he's taking the candy cane  
up  
The reindeer, oh yeah  
Here comes Santa's little helper boy  
Here comes Santa's pussy the boy is overjoyed  
There goes Santa's reindeer and who's with him now,  
boys,  
Yeah the boys  
Oh, once in a while when Mrs... Claus she goes away,  
oh  
Yeah  
Well the presents come out Santa comes out  
He's got his crazy candy cane  
He puts that little white beard

He finds it right up the poop chute train  
Well the boys there they go up Santa's nose  
What's he got there? only Santa knows  
But oh, Santa's pussy that's where the boys like to play  
Around  
Whenever he's in town  
Oh, Santa's such a funny clown when you get down to it  
He's just a Gacy, there's a little Gacy in all of us  
Santa's pretty tough with his pussy cunt  
Here comes Santa's pussy comin' down Santa Claus  
lane  
I said here comes I said here comes Santa's pussy  
Down Santa Claus pussy lane
