Precious Things I dream of you,
All the time i just can't live with out you.
Precious Thing you are my love
the only one i have in mind

Touch the sky,
see the light,
It so high,
In the night
x2

Precious Thing you are my sun,
You are my shine

I need to be ther with you,
Precious Things you are my love
the only one i have in mind

Touch the sky,
see the light,
It so high,
In the night
x6

Touch the sky,
see the light

Touch the sky,
see the light.
