(Felicia)

Lately you've been stressin me, that's when I'ma give
you some
Callin me, jockin me, sweatin me, gonna rush me none
Cuz when the time is right I'm gonna let you know and,
that's for sure
So wait on me, patiently, and see what I got in store
I'm gonna represent, to the fullest of it and I promise
you no regrets
Just put you trust in me, and baby, I promise this shit is
legit (Legit,
legit, legit)

Chorus (2x): Felicia (Krayzie Bone)

It's all good (Yup, yup, yup, it's all G-double-O-D, good,
good, good)
It's all good (Yup, yup, yup, it's all G-double-O-D, good,
good, good, with
me, with me, with me)

(Felicia)

If I told you once, then I told you twice, you've got to
get to know me
There's more to a relationship, then jumpin in the
sheets
And if that's all you want, then you better go, cuz that
ain't me
I don't give me love to just anybody
If I'm not correct, then prove me wrong and, just hold
on
Gradually you'll see, just how good it'll be
When the time is right, I'll ease your mind with a little
bump and grind
Fantasies full of ecstasy, we'll have a real good time

Chorus

(Krayzie Bone)

Since it's all good baby, we can get it on
Hey, you wanna ride? Krayzie Bone
Come and jump in the Benz and tell your friends that

you will get with them
later
Come and let me take ya, got a couple of things I
wanna show ya
I'm really tryin to know ya, I'm just curious
Is it really all good? You serious (I'm serious)
If it is, then I gotta jump on it, ride it, ghetto cowboy
Surprise, you thought I was quiet, I never was shy baby,
niggas just act like
that
Lay back, but don't let that buddah rule ya, give that
nigga the bag
Cuz we won't have time to talk
I've been peepin for a minute now (Yep, yep, yep) and I
know just where I'ma
start
Let me listen to your heart beat, boom boom
Racing intense situation, is it gettin kinda hot it here?
No, that's you
Temperatures are rising, so am I

Chorus Til End
