verse:

when i saw you  
i never would have guessed  
you were the were  
when i saw this  
i really almost wish  
i would have known before

verse:

here i'll say it now  
i'm sorry for it all  
i'm sorry for everything i did  
here i'll say it now  
i'll say it once again  
i'm sorry that you treaded me like shit

chorus:

and if i saw you

every day i'd  
save the seconds  
when i'm away to  
search my soul and  
try to find that  
piece of me i left behind with you

verse:

and if i found it  
i'd give it to you now  
and show you all the ways it's ripped apart  
and even till this day  
you seem to have the nerve  
the nerve to think that this is all my fault
