"And So You're The King"

Visit "[And So You're The King](#)" on MotoLyrics.com

And so you're the king, are we supposed to bow?
Who died and made you king, your kingdom's coming
down
You don't walk the way you used to do

You don't act like
Kings are strong, queens they long
Kings are strong, queens they long
For the kingdom
And so you're the king who wishes to be crowned

I'm gonna tar and feather your throne
And blow your kingdom down
'Cause you don't strut the way you're supposed to
You don't reign like
Kings are strong, queens they long
Kings are strong, queens they long
For the kingdom
