"Enter I"

Watch the people increase their will
With love and pride and hope to guide
Enter I
Enter I

Spoken so long ago
A prophet will come, spoken so soft and low
This world will be one
With love and pride and hope to guide
Enter I
Enter I (all kings will bow on cue)
Enter I (and none shall break my rules)
Watch the people reach out to me
With love and pride and hope to guide
Enter I
And now exit I
The applause will break all ears
Enter I

And the world is back in gear
