Makin' love night and day is so easy
Everything is all right

In the funhouse tonight
The beds here are not for sleeping
No need to be polite

In the funhouse tonight
The door's always open

Both day and night
For hearts that are broken
Welcome to the light
Your clothes are never needed
So leave behind your fright

In the funhouse tonight
Your heart beats faster than a woodpecker's beak
Your pulse is out of sight

In the funhouse tonight
The bed's always broken

At the end of the night
No words need be spoken
Just kick out the light
Makin' love night and day is so easy
Everything is all right

In the funhouse tonight
In the funhouse tonight
In the funhouse tonight
