"God Is Gay"

Visit "[God Is Gay](#)" on MotoLyrics.com

As God as my judge, God is gay
As God as my judge
There was something strange about Lucifer
Something wrong with his hand
There was something strange about Jesus
He didn't follow Lucifer's commands
Lucifer said, "Jesus, be straight"
And Jesus said, "The gates would never open if this
was true"

Oh, something about a vision in a park
Of Jesus holding hands with an angel named Lark
McGee
Lucifer therefore lost his wings
And all the angels sing, all the angels sing
God is gay, God is gay
