That was a good drum break I feel like making love to all the men tonight

Yeah, yeah, it's a beautiful night Making love to every guy in sight (Every) Yeah, yeah, it's a beautiful night Yeah, a night

Lots of cute guys in the club tonight (You're not kidding) Lots of juicy asses hangin' out

What's your name? (Like I've told you before) As I've said so many times before I don't wanna play no games Don't wanna play no games with you tonight

But I tend to be a loner So when you get up in the morning I may not be there

I don't care if you disrespect me Just so you love me
