Spare me some cock, brother!
Looked at my watch and it came on one
Ah... so did I!
Looked at my watch and it said two-three-four
Time sure flies when you're fucking!
Looked at my watch and it was going on five
Well, the more the merrier
Looked at my watch and it was 666
Devil Cock!
Looked at my watch and it was seven on the head
I haven't had this good a skull in years!
Looked at my watch and it was 899

The number to call for the sperm overdose hotline
Looked at my watch and it ten-eleven-twelve
Michelle
Ma belle
Rock on wolverines weiner breath!
Looked at my watch and it was thirteen to fourteen
That's how I like 'em!
Rock on!
