If I ever catch the guy who...
Okay, which one of you guys gave my daughter the
dope?
She ain't livin' no more
I just came from the coffin
Cope? I'll cope
I'll cope with her goddamn death
But which one of you guys gave my daughter the
dope?
Come on, one of you fuckin' coke addicts own up and
tell me
Tell me how to cope
You cope with a closed casket
Full of doped up daughter dope
Okay, which one of you fuckin' addicts gave my
daughter the dope?
One of you measly bastards is gonna pay, I'll tell ya

Don't tell me to cope
How the fuck do you cope
When a ten-year-old daughter's life is fuckin' snuffed?
My wife just had an operation, too, so I wanna ask you
Which one of you creeps gave my daughter the dope?
This ain't no fuckin' soap opera
This is my goddamn daughter's life we're talkin' about
I wanna know which one of you bastard dogs gave my
daughter the dope?
It ain't no miracle raising her up from the grave, but I'm
gonna try
Which one of you, oh, gave my daughter the dope?
