He's a man I ain't never seen, but my dream has told
me so

He's a man with cash in his hand, he's my baby, my
baby, oh no

If I denied, when I'm feeling alright
I'm so ready to go, and my baby, oh no

But my baby, oh no, you make me lose my self-control
I'll go crazy, whoah, if baby, oh no doesn't show

Hard and mean, he's a rhythm machine, he can move it
fast or slow

Man's got style, he don't never smile, he's my baby, my
baby, oh no

My head's in a mess and I've torn my best dress
But I ain't like the rest, gonna make him say yes

But my baby, oh no, you make me lose my self-control
I'll go crazy, whoah, if baby, oh no doesn't show

I want him, I need him, I want him, I need him
I want him, I need him, I want him, I need him

He can move it, he can groove it, he's a rhythm
machine

He can take me, he can break me, he's so hard and so
mean

He's my lover, he's my hero, take it fast, take it slow
My baby, my baby, my baby, oh no

My head's in a mess and I've torn my best dress
But I ain't like the rest, gonna make him say yes

But my baby, oh no, you make me lose my self-control
I'll go crazy, whoah, if baby, oh no doesn't show

But my baby, oh no, you make me lose my self-control
I'll go crazy, whoah, if baby, oh no doesn't show

But my baby, oh no, you make me lose my self-control

I'll go crazy, whoah, if baby, oh no doesn't show
