Chorus:

I ain't neva had nobody show me all the things that you
done showed me
And the special way I feel when you hold me
We gon' always be together baby that's what you told
me
And I believe it 'cause I ain't never had nobody do me
like you

Now I done been with different kind of girls
Like I done seen em all but ain't none of them at all (like
you)
And I done seen the best of the best
Baby still I ain't impressed 'cause ain't none of them at
all (like you)
If you know how I feel when I chill
If I'm seen with a girl then she gotta be just (like you)
And baby that's the way I feel
And I got no choice but for me to keep it real
'Cause when we first got together started hanging out
you was
Skeptical at first had to figure out if
I was the kind of guy to try to dog you out but
I ain't that kind of guy you tried to make me out
You found out when you turned into my baby
I showed them other brothers how to treat a lady
I let you drive when I ride that Mercedes
And I ain't trippin' or actin shady 'cause baby you know

I ain't neva had nobody show me all the things that you
done showed me
And the special way I feel when you hold me
We gon' always be together baby that's what you told
me
And I believe it 'cause I ain't never had nobody do me
like you

And every time I think about you (I cry)
When you ride when you call when you come (around)
Your love is amazing to me
Can't wait til I see you (I wanna be wit you again)

And every time you're out on the road (I make a trip)
And whenever I'm doing a show (don't you forget)
That I'm your (main chick)
Who got that (game chick)
One and the (same chick)
The one you can hang with

I ain't neva had nobody show me all the things that you
done showed me
And the special way I feel when you hold me
We gon' always be together baby that's what you told
me
And I believe it ('cause I ain't never had nobody do me
like you)

Okay when you hit the mall pop tags spend a few g's
then
Hit the runway to a new season (season)
It ain't nothin' it's you the one I care for
Feel like I ain't doing enough that's when I share more
(share more)
I give you this give you that what you need love (need
love)
You know I got it holla at me if you need love (need
love)
And affection cause I'll be your protection
Kinda hard job but I'll do it to perfection
And you can tell that I ain't tryna let you go
I get with you when I can so that's how I let you know
And you be trippin' 'cause sometimes I gotta go
But you the first one I holla to right after my shows
And I was trippn' in a sense I was tense
But my body loose around you what I'ma do without
you
I gotta get it together say whatever
Since I met you my life seems so better

I ain't neva had nobody show me all the things that you
done showed me
And the special way I feel when you hold me
We gon' always be together baby that's what you told
me
And I believe it ('cause I ain't never had nobody do me
like you)

I ain't neva had nobody show me all the things that you
done showed me
And the special way I feel when you hold me
We gon' always be together baby that's what you told
me
And I believe it ('cause I ain't never had nobody do me

like you)
