When he comes bursting through that door, mama
leaps and hits the floor
Calling himself Louis Quatorze, he's so young and
dangerous
Oh I love it when he says so seriously
With his gun in my back, "Honey, close your eyes and
think of England"
Just one second

It's his genuine act, as a matter of fact, Louis was
horrible to me
He tears down my defenses, he pretends that I'm
against him

Louis, Louis, Louis did love me, Louis Quatorze made
love to me
Come back again, don't tell me when, Louis Quatorze,
always surprise me

Fourteen's how I'll ever be, I don't know how long it
lasts
But one thing's for sure, Louis Quatorze must hurry to
love me

And more and more and more and more
Louis Quatorze loves me some more
He loves me just 'cos he's so ware, Louis's gonna shoot
me
Louis, Louis's locking my door, Louis's serious, I'm
delirious
No plays, he just doesn't care, Louis Quatorze starts to
undress me

With his gun in my back, I start to undress
You just don't mess with Louis Quatorze
He's my partner in this crime of happiness, 'cause I'm
just fourteen

Oh I love it when he says so seriously
With his gun in my back, "Honey, make love to me"

Louis, Louis, Louis did love me, Louis Quatorze made

love to me
Come back again, don't tell me when, Louis Quatorze,
always surprise me

Louis, Louis, Louis did love me, Louis Quatorze made
love to me
Come back again, don't tell me when, Louis Quatorze,
always surprise me

Louis Quatorze, I love you
