Sir Jungle, Sir Jungle
Sir Jungle, Sir Jungle
Jungle boy don't fear
Jungle boy come near

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Jungle boy I view
Jungle boy come through

In the jungle, I love to rumble
He's the fat guy, he's the bad guy
When the city turns to rubble

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

In the jungle, I love to rumble
With my boyfriend

He's the fat now, he's the bad now
He understands

When the city turns to rubble
Ooh the trouble

See your lover going crazy
So let your body do the talking
See your lover going crazy
I love jungle boy, I love jungle boy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy

In the jungle, I love the rumble
He's the fat now, he's the bad now
When the city turns to rubble
He's the fat now, he's the bad now
When the city turns to rubble

See your lover going crazy
I love jungle boy, I love jungle boy
