I think I'm feelin' sick
Or maybe it's just in my head
I felt perfect
But now I'm lyin' here in bed

Things were so fine
Until I saw you standing there
I've lost my mind
But my heart, says that it doesn't care

Chorus

I think that I'm in love...
I think that I'm in love...
I think that I'm in love...
I think that I'm in love...

End

These words sound so cliché
But I have never felt this way
Baby you let me breath
You cause the shaking in my knees

You give me butterflies
You give me wings so I can fly
Away... away... away...

Chorus

Away from here...
I think that I'm in love...
I think that I'm in love...
I think that I'm in love...

End

Bridge

Uh oh, here I go
I fell in love just one more time
Uh oh, here I go
I fell in love just one more time

You grab me by the heels
Turn me upside down
Good thing love's not a liquid
Or I think I would drown

End bridge

Chorus

Away from here...

I think that I'm in love...

Let's just fly away from here...

I think that I'm in love...

End
