Oh why can't I be what you need?  
A new improved version of me  
But I'm nothing so cruel  
No I'm nothing  
Just bones of lonely ghost burning down songs  
Of violence, of love, and of sorrow  
I beg for just one more tomorrow  
Where you hold me down fold me in  
Deep, deep, deep in the heart of your sins

Chorus

I break in two over you  
I break in two and each piece of me dies  
And only you can give the breath of life  
But you don't see me, you don't

Here I'm inbetween darkness and light  
Bleached and blinded by these nights  
Where I'm tossing and tortured til dawn  
By you  
Visions of you then your gone  
The shock bleeds the red from my face  
When I hear someone's taking me place  
How could love be so thoughtless, so cruel  
When all, all that I did was for you

Chorus

I break in two over you  
I break in two and each piece of me dies  
And only you can give the breath of life  
But you don't see me, you don't

I break in two over you  
I break in two and each piece of me dies  
And only you can give the breath of life  
But you don't see me, you don't

I break in two over you  
I break in two over you

Over you  
I break in two  
I would break in two for you  
Now you see me, now you don't  
Now you need me, now you don't
