Believe it or not
The notes are trying to talk to me
I've got to applaud such valiant efforts
It's not always the party that it seems to be

It can be a complete debacle
This is not the most routine
Nine to five you see
There's some occupational hazards

Perhaps you'll try to save my spot?
Just until the album drops
Then I'll be at the Capri shop
Adjacent to the Graham L stop

Believe it or not, we're not the ideal guys to date

I guess I'm a risky decision
But you did not write me off, you knew that I could
change
I'm studying my guide to safety

Perhaps you'll try to save my spot?
Just until the album drops
Then I'll be at the Capri shop
Adjacent to the Graham L stop

It's so hard to tell
It's so hard to tell

Or am I singing from obligation
When all I want is to feel my heart rate
Accelerate and we accelerate

Perhaps you'll try to save my spot?
Just until the album drops
Then I'll be at the Capri shop
Adjacent to the Graham L stop
