Never even thought it could happen to me,  
Maybe I've been blind only others can see  
I'm in love  
What am I to do can I let it show ?  
Do I keep it to myself or should I let time know  
I'm in love

Do another sittin in my heart, hold it back in my eyes,  
Holding on inside up alone in the sky  
I'm in love

Never god are playing games  
Even suffer the pain  
let the secret out  
Even suffer the dark  
I'm in love  
I know it's all there I really want to share my life with  
someone else  
"Will she feel the same"?

Never even thought it could happen to me  
Maybe I've been blind only others can see  
I'm in love  
What am I to do can I let it show  
Do I keep it to myself or should I let time know  
I'm in love

Isn't so easy when you've broke on before  
and isn't so hard when you're ready for more  
Could you love me ?  
Give me simple true anything would do  
So long is I know what to me is in you  
Could you love me ?  
I've got so much of care to give away  
There's only one thing I want to hear you say  
"I love you"

Never god are playing games  
Even suffer the pain  
let the secret out  
Even suffer the dark  
I'm in love

I know it's all there I really want to share my life with  
someone else  
"Will she feel the same"?
