When I was an alien, cultures weren't opinions

Gotta find a way, to find a way, when I'm here
Gotta find a way - a better way - I had better wait

Never met a wise man, if so it's a woman

(x2)

Gotta find a way, to find a way, when I'm here
Gotta find a way - a better way - I had better wait

Just because you're paranoid, don't mean they're not
after you

(x4)

Gotta find a way, to find a way, when I'm here
Gotta find a way - a better way - I had better wait
