Sullen hours of the evening.  
Wait, I heard a bird, it's singing your song,  
Even though you didn't have one.

I can't help but think of you.  
Why do I bother?

Are we speaking the same language?  
Missed communication going round & round,  
Spinning back around.

I need to know how you feel.

Why don't you come back with me tonight?  
Think I like you.  
Why did you come, back with me tonight?  
Is this love, or just infatuation for you?  
Sleeping in my arms again tonight.  
Wait a minute,  
I never told you how I feel.  
Probably because I don't really understand you.

Spin!  
Swim!  
Scream!

Spin!  
Swim!  
Scream!

Spin!  
Swim!  
Scream!

When I think of  
you...  
I get tired...  
I get tired...

Can I let you in, let you in?  
Can I really trust you, I don't know?

I want to fly now...  
Think to myself...

You should say what you mean...

We are now.  
You were.

When you were.  
When you were.  
When you were.  
When you were.

We are,  
We are more,  
We are no more...

I'll take her there, until she,  
Don't wanna' be with me...  
Painted flowers in the restaurant,  
The air there wasn't clean.

I'm missing you!  
That's all I know!

"Lights reflect the water,  
Wind blows quietly but cold.  
The water doesn't care.  
It's dark, and the lake is frozen,  
Wait for something wild...  
The trees are dead and dried out,  
Wait for something wild..."

Do we sail?  
Do we try to sail?

The lake, it has a beauty.  
That in her, I also see.

Well, I thought it was a strange world,  
Still do, too many making my confusion.  
Just where are we now?  
I've been dreaming, of a beautiful world,  
It could be someday, maybe with you.  
Are you an illusion?  
Talk with me again one day.  
Do you ever make sense of yourself?

You were always in the back of my mind,  
Thinkin' of you,  
I could never understand why.

Now I know I always want to be there for you.  
May not be the same as before,  
At least I'm with you.  
You never let me know how you feel.  
Probably because I always confuse you.

Spin!  
Swim!  
Scream!
