I, i guess I figured it out..
By Nightfall we'll have bled it out
and if you only knew me
This is my Sequel to my Dying Movie.....

Oh after i left you
I fell in love with something else
This chemical has got the best of the answers

Your always on my mind ;; well,
Give me something else i could have vain, obtain,
Oh Lord,
It's not the same I , Stop the praying cause i never knew
it that i thought you could oh Lord,
I got no way out i never have
now im praying for this ;; ohhhh!
you wouldnt,
Mend.!
Broken glass.!

Noooo

Watch me as i wave goodbye
You turned your back to many fucking times.!
By night fall...
ill be fine..
Just the thought be overwhelmed
storing everything that i can see inside and not
sleeping til'
that night
when you called it a nightmare

I never did it, change it, i dont think your playing
games but i think its all a shame
that my friends are all in
NO!
PLEASE!

tell me NOWW!!!

please just let me go

noooooo!

nooooo....

By Nightfall

Watch the waves come crumbling in

It's a figure of speach YES!
i am HERE!
you are there
NO!!!
we are NOT alone
we are not aLONE
you stabbed me in the BACK
one to many times
now im just walking away
and getting SAD!
PLEASE GOOO!!
please SAVIOR!
YOU NEVER MENTIONED, GOD!
walk AWAY!
walkaway from ME!
and what i have CREATED for MYSELF
I walk away... home.

I'm ready to go, I'm not ready to go...
