So it starts
With the kicking of your heart
The clenched fist of your will
If you'd love to rip this fucking place apart I'm right
behind you still
What will you do now? (Now, now)
What will people think? (Think, think)
Now that Christians bought up hardcore and Disney
owns the punk scene?

Congratulations to you, I guess
What else can I say?
You're right I'm amazed you show up ten years too late
You sure as hell won't stay
You sure as hell won't stay
You sure as hell won't stay

This isn't defamation
This is your orientation

Woo!
Yeah!
Woo!
Yeah!

Nothing says rebellion
Like buying in (Like buying in)
Buy up all you can

Congratulations to you, I guess
What else can I say?
You're right I'm amazed you show up ten years too late
You sure as hell won't stay
You sure as hell won't stay
You sure as hell won't stay

Congratulations to you, I guess
What else can I say?
You're right I'm amazed you show up ten years too
late!

You're selling me hope

On the promise of change
There's one thing I know:
That this ship can't be saved
This ship can't be saved

Cash out!
Nothing says rebellion!
Cash out!
Nothing says rebellion!
Cash out!
Nothing says rebellion!
Cash out!
