Ch-check it out yeah
Like you say until it's all gone
Like a real estate
Your mind is a blanket lie until your beautiful may
It's easy to laps
Alas alas

Comment, comment, comment
Yeah

What I want is someone smart enough to tell me I'm
wrong
You're right
You're right
You're right
You're right
What I want is someone smart enough to tell me I'm
wrong
You're right
You're right
You're right
You're right

Don't want you to talk back
And talk shit
You're no good to me now unless you are pissed
I need you as honest as the day you were born again
Make me proud, make me proud, make me proud

I'm so proud of all we've got complete,
Don't you think we really made a difference,
The world's a better place now, don't you think?
Everything is perfect.
