Oh Mother, is it hard
To recognize me now?
Mother, why can't you
Recognize me now?

I've sent my letters
?Everything's fine"
But I lied

Little boy
Little man
I lost my name

Heroin, oh, heroin
Where have you been
When I need you?

Little boy
Little man
I lost my name

Heroin, oh, heroin
Where have you been
When I need you?

Heroin, oh, heroin
Where have you been
When I need you?

Heroin, oh, heroin
Where have you been
When I need you?
