Mothersound

What have they done to you?
Your withering away in the cold...

Mothersound

Once again the world's molested you
And took your soul...

I have done this for the sound
Have done this for the sake of you
The sake of me...
And you can mark my fucking words
"We aren't a mock-supposed to be"
And we're here to rouse the rabble
Thanks to you,
We get our ace fix
For exposing what you are
And what you've done
You've poisoned the litter

No better time than now
To change what has been written
And what has been taught
To those who would not have known better
I have done this for the sound
Have done this for the sake of you
The sake of me...
And you can mark my fucking words
"We aren't a mock-supposed to be"
And we're here to rouse the rabble

Oooooohhhhh....
I have done this for the sound
Have done this for the sake of you
The sake of me...
And you can mark my fucking words
"We aren't a mock-supposed to be"
And we're here to rouse the rabble

I have done this for the sound
Have done this for the sake of you
The sake of me...

And you can mark my fucking words
"We aren't a mock-supposed to be"
And we're here to rouse the rabble
