If ignorance is bliss

Then eradicate my knowledge of my history

Now meaningless left on my own

I looked for a long time

Crossed paths with your kind

But some things are better left alone

Wake up lonely

Hating my life alone...

Wake up lonely

Hating my life...

Shame, shame on me

Come again

Shame, shame on me

Come again

Just bodies...

They bite, they scratch, they crawl at golden souls

Hue pictures you won't see or never know

Just bodies...

These golden souls with pictures were deleted

Heaved into the ocean to drown with their brothers

Their brothers...

Wake up lonely hating my life

Their brothers...

Wake up lonely hating my life

Shame, shame on me

Come again

Shame, shame on me

Come again

Come again...

Come again...

Oh shame, shame on me

Come again

Shame, shame on me

Come again

Oh shame, shame on me

Come again

Shame, shame on me

Come again
