There's an ocean out my window
There's beauty in it's tears
There's an ocean out my window
It's crashing in my ears(repeat through whole song)

Oh sea, you shelter
You dance between my toes
When I feel like I can't move forward
You carry me like a father

Oh sea,your shelter
You dance between my toes
When i feel like i can move forward
You carry me like a father

Oh sea,you shelter
You dance between my toes
When i feel i can't move forward
You carry me like a father

Oh sea,you shelter
You dance between my toes
When i feel i can't move forward
You carry me like a father

Oh sea,you shelter
You dance between my toes
When i feel i can't move forward
You carry me like a father

Breathing is the hardest thing I do
I'm not the only person in the room
It's hard for me, to feel like I'm perfect
