All the world is lying, sleeping  
Everyone in bed  
Me, I'm still out flying  
Tryin' to turn on my own head

Tryin' to turn on my own head  
Turn on my own head  
Me, I'm still out flying  
Tryin' to turn on my own head

All the world is in darkness  
Every light is dead  
Me, I'm still out flying  
Tryin' to turn on my own head

Tryin' to turn on my own head  
Tryin' to turn on my own head  
Me I'm still out flying  
Tryin' to turn on my own head

All my world is in ruin  
Every dream is dead  
Me, I'll be out flying  
Tryin' to turn on my own head

Tryin' to turn on my own head  
Tryin' to turn on my own head  
Me, I'll be out flying  
Tryin' to turn on my own head

Tryin' to turn on my own head  
Tryin' to turn on my own head  
Me, I'll be out flying  
Tryin' to turn on my own head

[Incomprehensible]

Tryin' to turn on my own head  
Tryin' to turn on my own head  
Tryin' to turn on my own head
