Let go, it's a hard, hard lesson to learn  
Let go, it's a very hard lesson you learn

Like a blind man run down a highway  
Is a very good friend of mine  
And I'm runnin', I'm yellin', I'm tryin' to catch him  
But I keep on fallin' behind

Let go, it's a hard, hard lesson to learn

Like a clown stuck out on a high wire  
Is a very good friend of mine  
Losin' his sense of balance  
Reachin' a hand for mine

Let go, it's a hard, hard lesson to learn

Like the empty glass on the table  
Is a very good friend of mine  
Askin' me if I need one more  
Starin' straight into my mind

Let go, let go, let go, let go
