suzanna walker lost her
parents at thirteen
you know how that can tear
the world apart
she ran away, she had three
kids at seventeen
you know that's not an
easy way to start
wo-o-o-o
you know that's not an
easy way to start
you know that's not an
easy way to start
suzanna walker in some dark
and dirty places
fought the bottle and a man
who hit her hard
then fighting to her knees
and back up to her feet
she did, and did it all with
nothin' but her heart
wo-o-o-o
she never did have
nothin' but her heart

she never did have
nothin' but her heart
me and suzanna, we were good
friends for awhile
we'd sit and talk
for hours
she'd say, "Todd ya know when
it's sink or swim
don't look around for
help my friend...
turn on the power
turn on the
power!"
suzanna walker made a good
life for herself
from a whole lot of
nothin' at the start

suzanna walker made a good
life for her kids
she never did have
nothin' but her heart
she never did have
nothin' but her heart
