

The Abyss "Damned"

Visit "[Damned](#)" on MotoLyrics.com

... I hear{ed}
whispering of hate
grant me the power
{See/seal} your fate

[Chorus:]

my soul is lost in a deepest {hole}
{Bethrow} for me my desire

Battle against the only god
None will stand before me
They gaze into the pits of Hell
Where unlocked we unite

... be the one
All the lords of evil
Nothing remains for embarassed
{the/for} bastard son of emptyness

my soul is lost in a {faithless hole}
{Bethrow} with me my desire

Sacrifice, bleed for him
Sacrifice, lands of god
Sacrifice, {turn on him}
Sacrifice, my soul is lost
