Hell storms on the winds of fire  
Ripping the weak jesus christ  
Slice into pieces  
Until nothing remains  
But death

{Beating and battling} the holyness  
To ... believe  
Lies and screams of torture  
Nothing but {death ... / battery}

... screams of nothing remains of  
Embarassed screams of {angry/anger}  
{christ is} screaming  
Light's pain  
To raise my soul

... my master with ...  
screaming ... of evil  
{Awaking/awaken} ... of {hate}  
...with angry anguish  
... of darkness  
come {on/of} the beast of god  
alone {it} stand before me

Hell storms on the winds of fire  
Ripping the weak jesus christ  
Bite into pieces  
Until nothing remains  
But death

In Hell!
