[Tom]

I left my fear behind me,  
Of those lights out by the station,  
The government is lying,  
The youth they won't believe them,

[Chorus]

We can't go  
Wrong can't get  
Fucked this time  
Speak up now  
Lose or get  
Left behind

[Tom]

When will this be over,  
This cold and bitter season,  
The government is lying,  
The truth is found with reason,

[Chorus x3]

We can't go  
Wrong can't get  
Fucked this time  
Speak up now  
Lose or get  
Left behind

[Tom]

We are the  
Underrated  
All forgotten  
Kids who made it  
Speak up now  
Lose or get  
Left behind
