Oh I have a lot to say
What's taking my time away
I miss you and things weren't the same
Cause everything inside never comes out right
And when I see you cry it makes me wanna die

[chorus]
I'm sorry I bad
I'm sorry I'm here
I'm sorry about all the things I said to you
And I know I can't take it back
I love how you kiss
I love all your sounds
And baby the way you make my world go round
And I just wanted to say I'm sorry

This time I think I'm to blame
Its hard how to get thru the days
Get older and blame turns to shame
Cause everything inside never comes out right
And when I see you cry it make me wanna die
[chorus]

Every single day I think about how we came on this way
The sleep less nights and tears you cried
It's never to late to make it right
Oh yeah
Sorry!

[chorus]

I'm sorry baby
I'm sorry baby
Yeah..sorry.
