This vacation's useless  
These white pills aren't kind  
I've given a lot of thought on this thirteen-hour drive  
I miss the grinding concrete where we sat past 8 or 9  
And slowly finished laughing in the glow of our  
headlights  
I've given a lot of thought to the nights we use to have  
The days have come and gone  
Our lives went by so fast  
I faintly remember breathing on your bedroom floor  
Where i laid and told you, but you swore you loved  
me more

Do you care if i don't know what to say  
Will you sleep tonight, will you think of me  
Will i shake this off pretend its all okay  
That there someone out there who feels just like me  
There is

Those notes you wrote me  
I've kept them all  
I've given a lot of thought of how to write you back this  
fall  
With every single letter in every single word  
There will be a hidden message about a boy that  
loves a girl

Do you care if i don't know what to say  
Will you sleep tonight, will you think of me  
Will i shake this off, pretend its all okay  
that There's someone out there who feels just like me  
There is

Do you care if i don't know what to say?  
Will you sleep tonight, will you think of me  
Will i shake this off, pretend its all okay  
That there's someone out there who feels just like me

Do you care if i don't know what to say?  
Will you sleep tonight, will you think of me  
Will i shake this off, pretend its all okay  
That there's someone out there who feels just like me
