CHORUS

Sugar sugar come to me
And gimme somethin' to believe
Sugar sugar come to me
And let this love take the lead
Sugar sugar come to me
And gimme somethin' to believe

KELLY

Last night an angel came to me
Woke me out of sleep
Said girl you best get on your feet
Don't miss the ride
Last night that angel spoke to me
Said let's be wild and free
The impossible is possible
Just wait and see

JUSTIN

If this angel's tellin' me the truth
What have I got to lose?
I been waitin' for my heart to move
I'm ready to fly
Wherever love is
I hope she'll be there
Waiting for me too
I'll be patient 'till I see that look
In her eyes

KELLY

I been told so many times
Dreams don't really come to life
But I got a good feelin' I can't deny
I might be in for a surprise
It's only gonna be a matter of time
'Till I believe in love devine

*CHORUS

JUSTIN

I wonder where you are right now

What your world is like

KELLY

I'm dyin' to know what you're about

K+J

What makes you cry

KELLY

Since that angel spoke

My hopes are high

That you'll be in my life

JUSTIN

Wishin' on a star

You can't be far

This time

KELLY

I been told so many times

Dreams don't really come to life

JUSTIN

But I got a good feelin' I can't deny

I might be in for a surprise

K+J

It's only gonna be a matter of time

'Till I believe in love devine

RAP

I said

Sugar sugar won't you come to me

'Cause I

Feel your vibe

And I'm diggin' your ????

You already got me hooked

You don't need a tease

I just wanna get to know you

Baby baby please

Sugar sugar won't you come to me

'Cause it's spring break

Oh yeah

For one week

I only got a little bit of time to speak

But uh

You know we gonna stay in touch

Right?

KELLY

It's only gonna be a matter of time

'Till I believe in love devine

JUSTIN
Whoooooooo!

Repeat CHORUS to fade out
