See me
I am home tonight
Hanging on the phone
Words are coming through
I would never go

Just break up the rules
And don't be so faded

See me
I am home tonight
Waiting here for you
Staying up all night
But you would never come

Just break up the rules
And don't be so faded

See me
I am home tonight
Do you think I'm deaf, do you think I'm blind
If I just let you go

Break up the rules
And don't be so faded

See me
I am home tonight
Maybe it's my turn
Maybe it's too late
To hear apologies

Just break up the rules
And don't be so faded

I don't want to sleep alone tonight
I don't want to fall
I'd rather die to let you know
All the rules are gone

See me
I am home tonight

I waited for so long
Now it's time for vengeance
So break up the rules
And don't be so faded

Tell me tell me why it is all gone
Hate me hate me it's not my fault
No words can tell how much I need you
No words can tell how much I hate you
