Angst

"Also the pastor said, 'Stop, preacher! The boy's trying to tell you something!' I-I said, 'I can't understand it!' He said, 'I'll interpret it!' He said, 'That boy is telling you he was born blind... But when you prayed that prayer, in the name of Jesus, the lights came on for the first time in twelve years, and now that blind boy can see.' I didn't know this! And the next night, you couldn't get near that stadium. I never saw such a crowd in my life - twenty-thousand people outside that couldn't get in - the government sent over workers - I could tell 'em because I saw the guns - that were in their - in in their - in in their coat pockets - I could see the bulging. And-and-and God even saved them and delivered them and set them free.

This is what America needs! This is what Africa needs! This is what India needs! This - We are needed in the troubled spots in the world! We don't need more government intervention - we need a Holy Ghost Revival to let the world know that Jesus Christ is the same yesterday, today, and forever! It will bring life to a nation! I believe we're living in the hour when whole nations are going to come to Jesus Christ. Can you shout 'Amen' - I believe this with all of my heart! Hallelujah!" "Now before I pray the prayer of praise, here's my twenty-four hour power phone number. Whenever you need help, dial this number for prayer. 214 area, 894-6141. Bring a friend and share a miracle. Get your letter in the mail, don't forget to enclose your generous offering of support, also your extra five dollars for tape number five forty-seven."
