Where did you go?  
I need to know  
You always walk away  
Though I'd like to stay

The place we'd meet  
A distant street  
And now I walk alone in vain  
Wondering if you're still the same

I haven't found G.V.D.T yet  
I only spoke with him on the phone  
I haven't found G.V.D.T yet  
I even don't remember why I've got to meet him  
I haven't found G.V.D.T yet  
It's an affair I will never forget

What's wrong?

Corners I turn  
Pictures I burn  
I look over my shoulder  
To the man who grows older  
So will I find?  
This search is blind  
As I who cannot see  
As you can run free
