Where did you go?

I need to know

You always walk away

Though I'd like to stay

The place we'd meet

A distant street

And now I walk alone in vain

Wondering if you're still the same

I haven't found G.V.D.T yet

I only spoke with him on the phone

I haven't found G.V.D.T yet

I even don't remember why I've got to meet him

I haven't found G.V.D.T yet

It's an affair I will never forget

What's wrong?

Corners I turn

Pictures I burn

I look over my shoulder

To the man who grows older

So will I find?

This search is blind

As I who cannot see

As you can run free
