Let's go swimming in a genecide

This is the house of pain  
This is a suicidal rapture  
This is corrosion  
This is commotion

This is the house of pain  
This is a swarm of killer bees  
Looking for some honey  
Looking for some honey

Touching bodies put your face in my musk  
Touching bodies put your face in my musk  
Looks so good make it hard as a tusk  
Crawl in slow move in for the kill  
Just watching your mouth makes me want to spill

Let's go swimming in a genecide  
Let's go swimming in a genecide  
Let's go swimming in a genecide  
Let's go swimming in a genecide

This is a house of pain  
This is a bed of crocodiles  
Coming out of manholes  
In and out of manholes

Rubber suits and pussy galore  
I want to dance till my legs are sore  
This place is wet  
Fuck the lesion, fuck the lesion

This is commotion  
This is a swarm of killer bees

Let's go swimming in a genecide  
Let's go swimming in a genecide  
Let's go swimming in a genecide  
Let's go swimming in a genecide

Let's go swimming in a genecide

Let's go swimming in a genocide  
Let's go swimming in a genocide  
Let's go swimming in a genocide  
Let's go swimming in a genocide
