Where did you go?
I need to know
You always walk away
Though I'd like to stay

The place we'd meet
A distant street
And now I walk alone in vain
Wondering if you're still the same

I haven't found G.V.D.T yet
I only spoke with him on the phone
I haven't found G.V.D.T yet
I even don't remember why I've got to meet him
I haven't found G.V.D.T yet
It's an affair I will never forget

What's wrong?
What's wrong?
What's wrong?
What's wrong?

What's wrong?
What's wrong?
What's wrong?
What's wrong?

Corners I turn
Pictures I burn
I look over my shoulder
To the man who grows older

So will I find?
This search is blind
As I who cannot see
As you can run free

I haven't found G.V.D.T yet
I only spoke with him on the phone
I haven't found G.V.D.T yet
I even don't remember why I've got to meet him
I haven't found G.V.D.T yet

It's an affair I will never forget
