Freeze! Shoot to kill or die  
Today he has no means, he's alone and anonymous  
But written in his cells he has got the marks of genius  
I'm looking for this man to sell him to other men  
To sell him to other men at ten times his price at least  
I'm looking for a man who knows the rules of the game  
Who's able to forget them to realize my aim  
I'm looking for this man to make us rich and famous  
One - You lock the target  
Two - You bait the line  
Three - You slowly spread the net  
And four - You catch the man
