Here every eye is a mirror
Here every act is a crime
Here every present's a poison
Here every wall is a spy

When you say, "Turn"
They all start to turn
When you say, "Dive"
They're all on their knees

Pretending to guide me
You led me astray
And I don't want to fall
Into your kind of ways
I will never sway
And see things that way

Here every move is an error
Here every breath is a fact
Here every ear is a danger
Here every smile is a trap

Here
Here
Turn! Start! Turn! Dive!

Pretending to guide me
You led me astray
And I don't want to fall
Into your kind of ways

When you say, "Turn"
They all start to turn
When you say, "Dive"
They're all on their knees

When you say, "Turn"
Turn! Start! Turn! Dive!
Turn! Start! Turn! Dive!

I know you'll never take me
Don't even think you'll break me

Be sure you'll never take me
I'm gonna make you see

Turn! Start! Turn! Dive!
Turn! Start! Turn! Dive!
Turn! Start! Turn! Dive!
Turn! Start! Turn! Dive!

Turn! Start! Turn! Dive!
Turn! Start! Turn! Dive!
Turn! Start! Turn! Dive!
Turn! Start! Turn! Dive!

Pretending to guide me
You led me astray
And I don't want to fall
Into your kind of ways

Pretending to guide me
You led me astray
And I don't want to fall
Into your kind of ways

Pretending to guide me
You led me astray
And I don't want to fall
Into your kind of ways
